Education

- 2016 PhD, Political Science, University of Washington
**Defended 23 May 2016; degree recognized and approved by NOKUT May 2017*
Thesis: "Harnessing Natural Resources For Development: New Legal Regimes for Localized Benefit Sharing in the Mining Sector"
Fields of study: Research methodology, comparative politics, international relations, political economy
- 2011 Master of Arts, Political Science, University of Washington
Fields of study: Research methodology, comparative politics, international relations, political economy
- 2006 Master of Philosophy, Comparative and International Education, University of Oslo

Research experience and affiliations

2021 – Senior Researcher, Fridtjof Nansen Institute, Norway (100%)

2016 – 2022 Senior Researcher, Peace Research Institute (PRIO), Oslo, Norway
2006 – 2014 (2006-2009: 100%; 2010-2014: 20%; 2016-2018: 50%; 2018-2019: 100%; 2020-23: 20%)

Natural resource and environmental management

- Project co-leader, "Green Curses and Violent Conflicts: The Security Implications of Renewable Energy Sector Development in Africa" (2020-2023, funded by Research Council of Norway) (NOK 6 million) – *Responsibilities: systematic literature and data reviews, global remote qualitative interviews, quantitative data collection and analysis in Uganda, communications*
- Researcher, "Share or Spare? Explaining the Nature and Determinants of Climate Finance Coordination" (2018-2020; funded by Swedish Research Council) (SEK 6 million) – *Responsibilities: systematic literature and data reviews, qualitative fieldwork in Zambia*

Armed conflict

- Researcher, "Trends in Conflict" (2016-2018; funded by the Norwegian Ministry of Foreign Affairs) (NOK 1 million) – *Responsibilities: quantitative data analysis, literature review*
- Researcher, "Children in Conflict" (2017; funded by Save the Children Norway) (NOK 500,000) – *Responsibilities: quantitative data analysis, literature review*
- Researcher, "Inequalities and Armed Conflict" (2016-2017; funded by the World Bank) (NOK 1 million) – *Responsibilities: systematic literature review*

- Researcher, “Post-Conflict Wealth Sharing” (2007-2009; funded by the Norwegian Research Council) (NOK 10 million) – *Responsibilities: qualitative data collection in Sierra Leone and Liberia, literature review, document analysis*
- Researcher, “Post-Conflict Power Sharing” (2007-2009; funded by the Norwegian Ministry of Foreign Affairs) (NOK 10 million) – *Responsibilities: qualitative data collection in Sierra Leone and Liberia, literature review, document analysis*
- Researcher, “Gender and Landmine Removal” (2007; funded by the Norwegian Ministry of Foreign Affairs) – *Responsibilities: qualitative data collection in Ethiopia, literature review, document analysis*

Civil society

- Researcher, “Adjust, Resist, or Disband? The Effect of Political Repression on Civil Society Organizations in Bangladesh and Zambia” (2018-2019, funded by the Netherlands Organization for Scientific Research) (EUR 200,000) *Responsibilities: literature review, qualitative and quantitative data collection and analysis*
- Project leader, “Best Practice in Community of Democracies Member States’ Engagement with and Protection of Civil Society” (2018; funded by the Community of Democracies) (EUR 10,000) – *Responsibilities: organization survey data collection, remote qualitative interviews, document analysis, literature review*

Education

- Researcher and project co-leader, “Education and Displacement: An Impact Evaluation (RCT) of an Accelerated Education Program for Refugees in Uganda” (2018-2019, funded by Dubai Cares) (USD 1 million) – *Responsibilities: design, implement, and supervise household survey in Uganda; interviews in Uganda, document analysis, literature reviews*
- Researcher, “Improving Education for Rohingya Refugees from Myanmar Living in Bangladesh” (2019-2019; funded by the Research Council of Norway) (NOK 6 million) – *Responsibilities: design household survey, qualitative data collection in Bangladesh, literature reviews, document analysis*
- Project leader, “Financing Education in Emergencies” (2018-2019, funded by Save the Children Norway) (NOK 500,000) – *Responsibilities: quantitative data collection and analysis, document analysis, literature review*
- Project leader, “The Role of Education in Post-Conflict Peacebuilding” (2006-2008; funded by Save the Children Norway) (NOK 1 million) – *Responsibilities: literature review, document analysis, qualitative data collection in Guatemala, Nepal, and Liberia*

Additional responsibilities

- Deputy Editor and Desk Editor, *Journal of Peace Research* (2016-2019)
- Instructor and coordinator, graduate level course on peace research (2007-14 and 2018-19)
- Write, publish, and publicly present academic publications and policy reports/briefs
- Popular communications (blog posts, social media posts)
- Develop new research projects and write funding applications
- Organize events (workshops, seminars, conferences)
- Supervise research assistants and masters students
- Lead development of quality control system and evaluation capacities at PRIO

Research Partners

- University of Oslo
- Norwegian University of Life Sciences (NMBU)
- University of Lund
- University of Amsterdam
- University of Washington
- University of Massachusetts Boston

- Portland State University
- Economic Research and Policy Centre, Uganda
- Danish Institute of International Studies
- Stockholm Environment Institute
- Environmental Law Institute, USA
- Innovations for Poverty Action, Bangladesh

2014 – 2021

Researcher, Chr. Michelsen Institute (CMI), Bergen, Norway

Senior Policy Advisor, U4 Anti-Corruption Resource Center, & Researcher, CMI

(2014-2017: 100%; 2017-2018: 50%; 2018-2021: 20%)

- Researcher, “Breaking BAD: Understanding the Backlash Against Democracy in Africa” (2017-2021; funded by the Research Council of Norway) (NOK 12 million) – *Responsibilities: qualitative data collection in Ghana, quantitative data collection and analysis, literature reviews, document analysis, global remote qualitative interviews*
- Project leader on governance sub-component in the “Tanzania as a Future Petro-State” program (2016-2019; funded by the Norwegian Embassy in Tanzania) (NOK 30 million) *Responsibilities: design, implement, and supervise household survey in Tanzania; qualitative interviews in Tanzania, document analysis, literature reviews*
- Project leader, “Non-formal Life skills Education for Girls in Developing Countries” (2017-2018; funded by The Brookings Institution) (NOK 1 million) *Responsibilities: design and implement individual-level survey in Tanzania and Ethiopia, document analysis, literature reviews*
- Member of an international consultancy team to provide advisory services to Norad on issues related to green economy, low carbon development, and international climate change policy
- Co-project leader, U4’s “Natural Resources and Energy” theme. Responsible for carrying out and commissioning original research on how to prevent and reduce corruption in public sector natural resource and energy management, and in public climate finance (funded by 8 bilateral aid agencies). Also responsible for facilitating workshops and teaching online courses.
- Project leader, U4’s “Evaluation and Measurement” theme. Responsible for carrying out and commissioning original research on how to measure, monitor, and evaluate anti-corruption programs and policies in the public sector (funded by 8 bilateral aid agencies). Also responsible for facilitating workshops and teaching online courses.

Additional responsibilities

- Leader of Natural Resource research group at CMI (2015-2017)
- Contract, budget, and research management
- Develop new research projects and funding applications. Raised funds for workshops on the social science research frontiers in digital technology tools (NOK 200,000), and on girls education in crisis situations (NOK 200,000)
- Leader of the Researchers Union Board at CMI (Forskerforbundet) (2015-2017)

Research partners

- University of Bergen
- Norwegian School of Economics (NHH)
- University of Washington
- Cornell University
- University of California, Berkeley
- Brookings Institution
- Southern African Institute for Policy and Research, Zambia
- Centre for Democratic Development, Ghana
- REPOA, Tanzania

2016 – 2020

Affiliated with the Centre for Law and Social Transformation, CMI / University of Bergen

- 2015 – 2016** **Consultant, The World Bank, Governance Global Practice Group** (1 year total)
- *Collected and analyzed original data on mining laws and policies with community development requirements. Responsible for collecting data and writing papers on institutional competition in mining legal requirements, and on community engagement models in mining*
- 2015** **Consultant, Natural Resource Governance Institute** (6 months)
- *Provided expert input into review of component 5 on environmental and community protection for the Sierra Leone Extractive Sector Benchmarking Process, and for the re-design of component 5 on local impacts for the Natural Resource Charter*
- 2013 – 2014** **Affiliated with the Center for Democratic Development (Accra, Ghana)**
- 2009 – 2016** **Research assistant and course instructor, University of Washington Department of Political Science**
- *PhD candidate (50%, 2009-2016)*
 - *Undergraduate advisor (50%, 2009-2010)*
 - *Research assistant: Original quantitative and qualitative data collection and analysis (50%, 2009-2014)*
 - *Course instructor (50%, 2010-2014)*
- 2009 – 2010** **Research Coordinator, Human Security Report Project (HSRP) (Vancouver, Canada)**
- *Coordinated input for the 2012 HSRP Report on the gendered impact of conflict; commissioned research papers; and conducted extensive literature reviews*

Other employment

- 2019 – 2021** **Senior Advisor, Environment, Norwegian People’s Aid (NPA)**
(Full-time, 100%, 3 year position funded by Norwegian Ministry of Foreign Affairs, NOK 10 million)
 Project manager. Responsible for designing and implementing an environmental management system and a new Climate & Environment Policy; leading environmental certification; mainstreaming environmental safeguarding in programs and projects; environment and climate reporting; developing and implementing trainings; designing new field-based tools for environmental assessment and management. Co-authored 2 journal articles; convened stakeholder groups and events; carried out monitoring and evaluation activities; involved in procurement management and fundraising efforts; general reporting; budget management; stakeholder communications. *(Three-year project-funded position, 100%)*
